“The overall program was far better than I expected going in, and I would recommend it to anyone wanting to advance their legal careers.”

—Ksenia Ofeynik, program graduate

Industry Facts

The annual mean wage for paralegals in California is **\$66,250**

—Bureau of Labor Statistics

Program Outline

21 quarter units academic credit, X425.1

Introduction: Program Essentials

Explore legal ethics, terminology, research and writing, pleading preparation, trial preparation, client management and other essential paralegal skills.

California Procedures for Paralegals

Explore litigation procedures in the state courts of California, from both an academic, as well as a law practitioner's point of view.

Tort Law for Paralegals

Gain an understanding of laws pertaining to personal injury, product liability and malpractice. Analyze negligence, breach of duty, causation and damages, liability issues and defenses, and malpractice.

Contract Law for Paralegals

Focus on the specialized skills of contract drafting, analysis and litigation. Learn about remedies for non-performance (i.e., breach of contract) and third party contracts.

Paralegal Specialist Programs

Refine your expertise as a paralegal professional with our topic-specific programs. These programs expand career opportunities and empower you as a paralegal.

Choose from 22 different programs and build your knowledge in such areas as business, family, employment or immigration law. To enroll, applicants must have a certificate or degree in paralegal studies, or a combination of a college degree in any area of study and work experience as a paralegal.
